

# 5th Cedex Analyzer User Days

September 28 - 29, 2023

## Conference Venue:

F. Hoffmann-La Roche Ltd.  
Auditorium B71 | Grenzacherstrasse 124  
4070 Basel, Switzerland

## We look forward to meeting you!

Together with Roche CustomBiotech we are happy to invite you to join the 5th Cedex Analyzer User Days taking place on September 28 - 29, 2023 in Basel, Switzerland.

## What to expect

Discover the best solutions in cell culture and fermentation control and benefit from the valuable user experience exchange during talks given by the experts in the field.

## Program in a nutshell

- Learn how the Cedex Analyzers contribute to the work of other users.
- Stay updated on future developments of the Cedex Analyzer family.
- Get tips & tricks.
- Share your needs with the Roche Product Managers.
- Experience the Roche Campus including a visit to the Innovation Lab or Skyscrapers.

Meet the experts and the team!

Explore the past, present and future  
with Cedex Analyzers.
